VOLUME XIV. MILWAUKEE DAILY SENTINEL, FRIDAY MORNING, MARCH 6, 1857. NEW SERIES.

THE DAILY SENTINEL.

RUFUS KING & WM. H. WATSON,
PROPRIETORS.
Under the Name and Firm of Rufus King & Co.

MILWAUKEE:
Friday Morning, March 6.

For Chief Justice of the Supreme Court,

EDWARD V. WHITON.

ELECTION, TUESDAY, APRIL 7.

NEWS OF THE MORNING.

A portion of the steamer's news will be found under the telegraph head. An interruption in the line South, brought the report to an abrupt conclusion.

Wheat and corn are firm, while flour is dull. Consols unchanged, closing at 93½a93¾.

The prospects of a speedy settlement of the Persian difficulty are flattering.

Judicial Elections.

The Secretary of State has given the usual formal notice of an election to be held on the first Tuesday, being the 7th day of April next, in the several towns, wards and precincts of the State of Wisconsin, for a Chief Justice of the Supreme Court, to serve for six years:

Also, in the several towns, wards and precincts of all counties, organized for judicial purposes, of a County Judge, to serve for four years:

Also, in the several towns and wards of Waukesha and Milwaukee counties, for a Circuit Judge, to serve for six years, from the first Monday in January next:

Also, in the same towns and wards, as aforesaid, for a Circuit Judge to fill the unexpired term of Judge HUBBELL, who resigned last fall; Hon. A. W. RANDALL having been appointed by the Governor to fill the intervening vacancy.

These elections all occur on Town Meeting day and are, of themselves, of sufficient importance to call out a full vote. For Chief Justice, there are two candidates in the field; EDWARD V. WHITON, the present able and honest incumbent, called out by a large number of his fellow citizens, without distinction of party, and M. M. COTHREN, the nominee of a so-called Democratic State Convention, mainly made up of Members of the Legislature and hangers-on. We presume that Chief Justice WHITON, who honors the ermine by the purity of his character and the integrity of his conduct, will be elected to the distinguished post which he now holds, by a very large majority, if not by common consent. Let THE PEOPLE see to it, however, that his election is not put in jeopardy by neglect, or indifference. *Be sure to vote!*

For Circuit Judge in this Circuit—Waukesha and Milwaukee counties—we hear several names mentioned. Mr. FOOTE, late city Attorney, is a prominent candidate for the Democratic nomination. Mr. WALWORTH, our excellent Police Justice, is also talked of in this connection. We should be loth enough to lose him in the Police Court. Judge RANDALL, who was appointed by the Governor to fill Judge HUBBELL's place, and who has given great and general satisfaction, will be warmly supported.

For County Judge, we hear the names of ALBERT SMITH, J. L. DORAN and BYRON PAINE, the present estimable incumbent, mentioned. We do not yet know, however, which of these gentlemen, or whether all of them, will be eventually candidates for the post.

THE CORRUPTION COMMITTEE—THE ACCUSED MEMBERS.—The Telegraph report left the action of the House of Representatives, in the cases of Messrs. MATTESON, GILBERT and others, accused of corrupt conduct, somewhat in the fog. The mail of yesterday brought us more intelligible particulars. Mr. GILBERT and Mr. EDWARDS, after vainly soliciting a fair trial at the bar of the House, resigned their places, whereupon the resolutions of expulsion, as to them, were laid upon the table.

Mr. MATTESON was differently treated. He too sent in his resignation, but the House refused to suspend proceedings by a vote of 108 against 83. The resolution declaring him guilty of corrupt practices in the Des Moines case was adopted by a vote of 145 against 17. The second, declaring him guilty of defaming the character of the House by charging corruption on its members, and thus proving himself to be unworthy to be a member of it, was passed without a division, and the third declaring him expelled, was laid on the table in consequence of his having resigned.

Mr. WELCH was allowed a hearing, and the case occupied the House until 10 o'clock at night, when Mr. WELCH was *exculpated* by a vote of 119 to 42.

FROM MADISON.

Editorial Correspondence of the Sentinel.

MADISON, March 4, '57.

The Senate this morning, after some discussion, passed the Lunatic Asylum Bill, changing it so as to strike out the names of the Commissioners, and leaving it to the Governor to appoint them. The bill provides for a total cost of $100,000 for the building, and appropriates $35,000 for this year.

The Senate also passed the bill introduced long since by Mr. O'Neill, authorizing measures for the building of a House of Refuge for Juvenile Delinquents. The amount appropriated is $26,000, and it is to be built at some place to be selected in the eastern part of the State. This great reform measure, than which no more important one has attracted the attention of the Legislature, has been delayed so long in the Senate that I fear it will fail.

The only other Senate bills passed were those providing for additions to the State Library, and giving the Attorney Gen'l a clerk.

The Senate passed a joint resolution to adjourn on Saturday morning at 5 o'clock. (This coming into the Assembly was amended so as to put the adjournment over to Monday morning, by a vote of 61 to 20.) The Senate then adjourned to 4 P. M., to give the democratic members an opportunity to attend the Judicial Convention, which proposes to nominate a candidate to be beaten by chief Justice WHITON.

In Assembly, at the opening, Moses M. Strong offered a resolution, giving the use of the Hall to the Democratic Convention from 1 to 6 P. M.—a very uncalled for courtesy, I cannot but think, at this period of the session. Mr. Noggle spoke briefly in its favor, and the resolution passed.

Next came up the Women's Rights question again, in the form of a motion by Mr. Thomas to reconsider the vote by which the Assembly receded from Mr. Mills amendment to the Suffrage Bill.

And then ensued a waste of time on this question. Mr. Strong hoped the motion would prevail, "so that the dominant party in the House might take the whole dose." Mr. Lovell moved to table the motion, and this carried, 44 to 25. Mr. Strong changed his vote and moved to reconsider, and asked a call of the House. Mr. Lovell gave notice that if time was to be wasted in this way, he should move to reconsider the vote giving up the Hall for the afternoon. After a while, proceedings under the call were suspended, and the motion to reconsider failed. Then up sprang J. T. Mills, in a great state of agitation, and occupied a considerable time in advocating a resolution, which he sent up, to the effect that the House by its vote receding from the amendment, "did not mean to pass the bill." Inasmuch as, by parliamentary practice, that vote did just exactly leave the bill passed as it first came from the Senate, the Assembly, as soon as it got the chance, voted down the resolution, 15 to 68.

A motion was made by Mr. S. A. White to reconsider the vote passing the interest bill, but the Assembly refused to recall the bill from the Senate.

A bill which had been got into the House as a substitute for one not acted on—the new one providing for a bridge from the foot of Milwaukee st. to the 5th Ward—was indefinitely postponed, on Mr. Humphrey's motion. No one seemed to take any interest in it.

The State Loan (renewal of $50,000 bonds) bill passed.

A bill extending to the 1st of April, the time for paying interest on School Funds excited some warm discussion. The fact proves to be just what was anticipated last year, when the time of paying up was extended several weeks—there is just as much delinquency now as then—and, if the time is extended now, doubtless there will be next year the same difficulty. Of course men will keep their money in their hands to the last moment. The bill passed the Assembly finally, extending the time to March 9th.

The Milwaukee street jury bill came up on its passage, and—without occupying too much space concerning it—a motion by Mr. Strong to refer it back so as to have the 2d section (restoring the rights of appeal which were cut off last winter) struck out—being defeated, a motion prevailed to refer it with instructions so as to have all parties interested made parties to the appeal suit.

The Assembly then adjourned to 7 P. M. and

THE DEMOCRATIC JUDICIAL CONVENTION.

was temporarily organized by the appointment of Moses M. Strong as Chairman. After the appointment of the usual committees the Convention adjourned to 2 P. M.

On re-assembling, the Committee on credentials reported the names of the delegates, there being, I believe, 27 persons besides those who are members of the Legislature. There was also a batch of gentlemen who appeared, ambitious to represent various districts in which they do not reside, among which were A. Kruer from Green Co., J. D. Ruggles from the Pierce district, E. M. Hunter from Calumet, Wm. Hull from Jackson Co.—and Moses M. Strong from La Pointe. They were all rejected.

The Convention being slim, about a dozen delegates were added on motion, to represent various localities. J. H. Wells, the person who went to Waupacca to look up that "60 votes more for Barstow, cost what it would," among them.

Moses M. Strong was made President, E. Gernon, D. W. Jones, and W. Bach, Vice Presidents, and J. B. Sweat and W. Leisher Secretaries.

Mr. (Fred.) Horn presented a resolution endorsing the nominations made by the Legislature, and declaring that the first object of desire was the appointment of J. R. Sharpstein as Postmaster at Milwaukee in place of the present incumbent.

On motion of Mr. Palmer, this was tabled forthwith, by a vote of 36 to 15.

Mr. Hull offered a resolution tendering co-operation with Mr. Buchanan on the basis of the Cincinnati platform. This was adopted.

P. H. Smith offered a resolution providing that hereafter no delegate should be allowed to act for any district in which he does not reside.—Adopted.

Mr. Calkins moved to go into an informal ballot for a candidate for Chief Justice. Mr. Schultes moved that the nomination be *viva voce*. Carried 35 to 15.

Mr. S. A. White offered an amendment "that it is inexpedient to make any nomination." Mr. Hull moved to table the amendment—carried, and of course the resolution went also to the table! Mr. Hull moved to reconsider the vote—lost 13 to 26. Here was a fix! Fred. Horn came to the rescue with a motion to nominate MONTGOMERY M. COTHREN *by acclamation*, and on this called for the ayes and noes. The vote was taken and resulted 66 ayes, 8 noes, counting all the substitutes and manufactured delegates.

Thereupon the chairman, stating that the motion was to nominate by acclamation, declared that he "acclaimed" Mr. Cothren as the candidate.

Now, Fred Horn moved to take his resolution from the table.

Mr. Hull opposed the motion, as he did not believe that 35 members of the Legislature were to dictate the appointments.

To clap a stopper on the whole thing, Mr. Smith moved to adjourn, and the motion carried.

So ended this cold, spiritless affair. Let us see how the nomination fares before the people.

AFTERNOON SESSION—SENATE.

The Senate in the afternoon concurred in the amendment of the Assembly relative to adjournment—so that the session will close at 5 A. M. of Monday next, beyond doubt.

The Senate disposed of a considerable number of bills in committee of the whole. Some of the most important ones are in the hands of Committees.

Mr. Hawley introduced, under a dead-head, "a bill appropriating $2,000 to the Governor, to be used to pay S. M. Booth's expenses in the Garland suit." It was rejected, several of the Republican Senators stating that they were willing to provide every legal remedy to the citizens in these fugitive slave cases, but were opposed to providing beforehand for the expenses. In truth, the bill was alluded to, and regarded by the Republican majority very much as was the amendment to the Personal Liberty Bill, which was rejected by the Senate. As in that case, so in this, the democrats urged the passage of the bill, their palpable object being to load the former bill with objectionable features, and in this case to drive the responsible majority to unwise action. The large majority of the Republican Senators, whose faithfulness to freedom cannot be questioned, opposed the former amendment, and opposed this bill.

The Assembly meets this evening.

CONSOLIDATION.—The Janesville *Free Press* of Wednesday, contains the valedictory of E. C. SACKETT and THEO. F. WITHROW, for the last year its Publisher and Editor. Mr. HOLT, of the *Gazette*, having purchased the office of the *Free Press*, will, on Monday next, issue a new seven column paper, consolidating the two papers, under the name of the *Free Press & Gazette*.

The continued ill health of our friend SACKETT, we regret to say, rendered the change above effected imperative. He goes East to the paternal roof, where he will be kindly cared for as none but parents can care for an invalid. Wherever his lot may be cast, in whether prosperity or adversity, he has our heartfelt sympathies.

Mr. WITHROW also goes into another field of labor.

AN INAUGURATION.—One morning in April, 1783, says the Albany *Journal*, two grey haired men appeared in the open gallery of the old City Hall, in Wall street, New York. The one held in his hand a quarto bible, and was recognized by the crowd in the street below as Chancellor Livingston. The other, dressed in a plain dark suit of home-made-cloth—the product of an American loom, and stitched by American fingers—and wearing a common steel-hilted sword, was known by all to be GEORGE WASHINGTON. There were no guns or drums, no high dignitaries of church and state, no foreign envoys surrounding—no "banners, music and adornments." The Chancellor repeated the oath, and the first President bowed assent, kissed the book, and the ceremony was done.

BRIDGE ACROSS THE MISSISSIPPI AT ST. LOUIS.—The St. Louis *Republican* says this bridge will be built. A day or two since Mr. Bissel, the engineer, reported to a meeting of the corporators and citizens, that the estimates for the bridge at St. Louis amount to $1,224,000. A liberal margin for contingencies was added, amounting to $270,000. One item of $100,000 in the estimates is for preparing the foundation on the Illinois side. The *Republican* says the enterprise is deemed entirely feasible, profitable and indispensable, and that subscriptions to the stock were opened at once, after the report of the Engineer.

ASSISTANT SECRETARY OF STATE.—Mr. HENRY LEDYARD, of Detroit, son-in-law of Gen. CASS, is to be assistant Secretary of State. He is abundantly qualified for the post.

Election Riots at Chicago.

The Charter Election at Chicago, on Tuesday, was characterized by outrage and violence, at several of the polls, resulting in the death of two men and the severe wounding of several others. One of the persons killed was a German, named CHARLES SEIFFERT, a quiet, industrious and respectable citizen. He was set upon, by a gang of "Border Ruffians," while returning from the Seventh Ward poll, and beaten to death. The Fremont Club, of which he was a member, met on Wednesday evening, resolved to attend his funeral in a body, and took up a collection of $500, for the benefit of his widow and young child.

The *Democratic Press* adds these farther particulars of the election outrages:

A painful rumor spread through the city yesterday that others were added to the list of murdered victims of the late city government. And a most profound sensation was caused by the report that George Armour, of the firm of Munger & Armour, was dead; as also Mr. Porter, and Mr. Sampson. We are happy to learn that all three gentlemen, though they will bear for some time the marks of severe usage, are doing well, and we hope they may often again do freemen's duty at the polls. The young German, Mr. Walters, injured in the Seventh Ward, is still alive but in a critical position. An elderly German on Burlington Street had his arm broken; a Norwegian woman was shot in the neck; an Irishman among the assailants received in his face a charge of fine shot, and another of the same party, a slight wound in the neck. These comprise as far as we can learn, all the more serious results of the fight in the upper division of the Seventh Ward.

At the lower polls in this Ward, in addition to those mentioned yesterday, Carlos Aiken was severely beaten. John D. Ehlins, in the employ of Faxon & Crosby, most narrowly escaped with his life, one of the assailing party, an Irishman, broke through the ice and was drowned.

In the 6th Ward, a Lieut. of the Police named Rawley, and a policeman named English, both in liquor as attested to by Charles N. Holden, Wm. E. Otto, and others of our citizens, made a brutal assault upon a young man named Ryan, an employee of the Messrs. Greenebaum. Mr. Ryan was taken by them to the lockup, and released by Justice DeWolf yesterday morning, the whole affair telling powerfully against the worthless appointees of Thomas Dyer.

It is greatly to the credit of Chicago, that notwithstanding a liberal outlay of rum, money and brute force, the Border Ruffian Democracy were utterly routed at the Charter Election.

Vote in the Senate on the Admission of Minesota.

The question being taken on the motion of Mr. Hale to reconsider the vote by which the amendment was adopted restricting the right of suffrage to the citizens of the United States, it was agreed to—yeas 31, nays 24—as follows:

YEAS—Messrs. Allen, Bell of New Hampshire, Bigler, Bright, Cass, Collamer, Dodge, Douglas, Durkee, Fessenden, Fitch, Foster, Foot, Green, Hale, Harlan, James, Johnson, Jones of Iowa, Nourse, Pugh, Sebastian, Seward, Stuart, Toucey, Toombs, Trumbull, Wade, Weller, Wilson and Yulee—31.

NAYS—Messrs. Adams, Bayard, Bell of Tennessee, Benjamin, Biggs, Brodhead, Brown, Butler, Clay, Crittenden, Evans, Fish, Fitzpatrick, Geyer, Gwinn, Houston, Hunter, Jones of Tennessee, Mason, Pratt, Reid, Rusk, Slidell, and Thompson of Kentucky—24.

The question then recurred on the adoption of the amendment. A long discussion ensued, in which Messrs. Biggs, Brown, Bell of Tennessee, Crittenden, and others participated; when the amendment was rejected—yeas 24, nays 32.—The bill was then read a third time and passed, in the form in which it came from the House of Representatives—yeas 31, nays 22

Of the 31 Senators who voted against disfranchising foreigners and in favor of the admission of Minesota, 14 are Republicans. Of the 24 Senators who voted in favor of disfranchising foreigners and against admitting Minesota, all but four were Democrats and only one Republican.

FEARFUL RIDE.—At Frankville, in Maryland, the Baltimore and Ohio Railroad passes along the side of a precipitous mountain, at the base of which is a mountain stream. From the railroad to the stream the distance is about seventy-five yards, at an angle of 45 degrees. On Monday night, a locomotive attached to a freight train broke a flange, and detaching itself from the train, ran down this precipice, carrying with it the engineer and firemen. Strange to relate, the engine reached the creek fair and square upon its wheels, without being materially injured, or its unwilling passengers suffered the slightest harm.

THE DRED SCOTT CASE.—The *Tribune* of Monday says; "We learn from trustworthy sources that the Supreme Court of the United States in the Dred Scott case, will, by a large majority, sustain the extreme southern ground, denying the constitutionality of the Missouri Compromise. Probably Judges Curtis and McLean will alone dissent, Judge Nelson who has been heretofore relied upon by many as likely to favor the side of freedom, going with the South. The decree of the Court, will, it is supposed, be given in a few days—perhaps the day before or the day following the inauguration."

SALE OF KANSAS TRUST LANDS.—The President has issued a proclamation ordering the sale of Indian Trust Lands, in Kansas, in May and June next. About 650,000 acres are to be sold to the highest bidder, but not at less than the appraised value.

1887 Majority!!—Great Republican Triumph in Chicago.

The triumph of the Republican ticket was grand, imposing! The majorities loom up larger than we ever anticipated on the morning of the election, and much larger than we dared to hope for in the evening of the day. The republican vote varies but slightly on Treasurer, Collector, Attorney, Surveyor, or Clerk. Taking that of Surveyor as a fair average of the general ticket on both sides, the result is as follows:

Wentworth 5,933, Carver 4,842, Greeley 6,236, Herrenkind 4,349.

Majority on Mayor.	1,091
Majority on general ticket.	1,887

This is truly a magnificent result, and exceeds the majority given to Fremont by 436! The whole vote cast was 10,775: for President 11,675. A full turn out would have increased the Republican majority to above 2,000.—*Chicago Tribune.*

A VETERAN POSTMASTER REMOVED.—Ebenezer Brigham, Esq., one of the earliest pioneers of Wisconsin, has been recently removed from the office of Postmaster of Blue Mounds, in this County. He settled there in 1827. On the establishment of a post office there, he was appointed the post-master, under Gen. Jackson's administration and has held the office ever since—a period of some twenty-seven years. He is a thorough-going Republican; voted for Fremont last fall; and has probably been guilty of encouraging the circulation of such incendiary and heretical sheets as the New York *Tribune* and the *State Journal*, among his neighbors. Such offences are not to be tolerated, by the present Border-Ruffian administration, and hence, very likely, the application of the guillotine, in the present instance.—*Madison Journal.*

CONSTITUTIONAL HUMBUGGERY.—A few days ago, Senator Toombs successfully carried through a bill in Congress to explore the Niger, a river in Africa; also Mr. Brodhead introduced a bill for exploring a ship route through the Isthmus of Darien. Not long ago, an expedition was fitted out by order of Congress to explore the Amazon in South America. How such appropriations ever came to be constitutional when it is so unconstitutional to appropriate money for clearing out our lakes and rivers, is a mystery to all—except with this explanation: the Niger, Isthmus and Amazon are all in the Nigger latitudes and the Nigger question is at the bottom of all appropriations for exploring them—which makes all perfectly constitutional; whereas, the lakes and rivers are generally in the north and to improve them might accidentally aid the "*poor white trash*."—*Grant County Herald.*

"A COSTLY GOVERNOR."—The Milwaukee *News* has an article under this caption commencing as follows:

The Legislature of this State has passed a bill to pay Governor BASHFORD nine thousand dollars for the expenses of his suit last winter.

The "Costly Governor" was WM. A. BARSTOW. The $9,000 is only a portion of what it cost the people to oust him from office, after the people had rejected him by their votes at the ballot-box; not to mention the absorption of their school lands by political favorites, the defalcation of the treasury, and the general reproach and shame of the memorable administration of "the Forty."—*Madison Journal.*

Rats, Rats—An Extraordinary Rumor.

There is a strange and carefully-stifled rumor getting afloat respecting a late case of extensive rat-poisoning and its effects upon the formation of the Cabinet and the movements of the President elect. To begin the story at the right end, it is proper to say that Mr. Wm. C. Alexander had received no intimation up to Thursday morning last, of a call into the Cabinet as Postmaster-General. This appointment was tendered to J. Glancy Jones, of Pa., who declined, but has since reconsidered that determination. He now holds the subject under consideration. But a new difficulty exists. J. Glancy Jones is sick, and the singular manner in which he became sick is generally unknown, owing to the extraordinary efforts made in Washington to keep the matter hushed up. It will be remembered that Mr. Buchanan recently went to Washington. He put up at one of the principal hotels there—the same one in which J. Glancy Jones has his quarters. Now, this hotel has been terribly infested with rats of late, and one of the boarders conceived the idea that they ought to be disposed of effectually before the day of inauguration. Accordingly, he procured extra large doses of arsenic, which he disposed of in the most tempting manner about the house. The rats ate of the poison. It is well known that when rats partake of arsenic they put directly for water. There is a large tank of water in the upper part of the hotel referred to, and into this the host of rats plunged, drank, burst and died. From this tank the house is supplied with water for drinking and cooking purposes. Mr. J. Glancy Jones has been very sick since that time, and is represented to be now in a critical condition. Mr. Buchanan and others were less affected, yet Mr. B. left suddenly for Wheatland. He will be well enough, however, to return to Washington on Monday next. Meantime, it depends upon Mr. J. Glancy Jones' health whether he accepts the seat proffered to him in the Cabinet. If he does not, then Mr. Alexander may rely upon the appointment.—This would be ratting a man out of his situation by a new process.—*N. Y. Tribune, Feb. 28.*

Particulars of the Washington Tragedy.

WASHINGTON, Feb. 28.

During the immense pressure at the President's levee last evening Col. Lee, a member of our City Council and a clerk in the Pension Office, seized a gentleman by the collar and charged him with picking his pocket. The gentleman charged was Mr. David Hume, of Alexandria, a highly respectable merchant. This morning Mr. Hume, accompanied by Col. Jas. C. Walker, Reading Clerk in the House of Representatives, proceeded to the Pension office to explain and satisfy Col. Lee that he was mistaken in supposing him a pickpocket. Lee, however, was fixed in his opinion that Hume had attempted to steal his pocket book, whereupon Hume struck him with a stick, and in return was shot dead by Lee. The whole affair transpired in a moment, and before any one had supposed there would be a serious difficulty.

Mr. Lee was dismissed from his post, the day after the tragedy, and immediately left for Virginia to avoid the consequences of his rash and fatal act.

Tremendous Gold Discovery—A One Hundred Pound Lump Found.

From the Alta California.

We were handed yesterday, by J. M. Vanycle, Esq., agent of Wells, Fargo & Co.'s Express at Stockton, the following communications from Crescent City in relation to an immense gold discovery in Oregon at Sucker Creek. We must confess the stories look rather large, but we give them as they come to us:

"CRESCENT CITY OFFICE, Jan. 29, '57.

"Messrs. Wells, Fargo & Co.—Gents: We have just received at this place, some astounding news, which, being of interest to every one, I lay before you, under an extract from a letter received this day by Mr. W. Smith, of this city.

"O. T. SUCKER CREEK, Jan. 23, 1857.

"Dear Brother; Times are very dull here, but with great excitement. McDonald & Co., have taken out from their claim one lump of gold weighing *one hundred pounds*, one ditto from 25 to 26 pounds, one ditto 10 to 12 pounds, and upwards of 100 pounds in small pieces. They say they have taken out upward of $100,000. They have been on a spree for the last three days at our store.

"PETER B. SMITH.

"Mr. W. Smith, Crescent City."

"The above is an extract copied by me. From personal acquaintance with Messrs. Smith, I pronounce the persons in whom every reliance can be placed. This story, wonderful as it is, is to some extent corroborated by Messrs. Sam. Rice & Guthrie, residents of Sailor Diggins, who are well known in San Francisco, who go there this trip per steamer Columbia. They state that Sheriff Hendershelt, of Josephine county, told *them that they saw* (Sucker Creek is in Josephine) himself in the possession of McDonald & Co., one piece weighing 12 pounds, and a *camp kettle full* of the same; and that they, McD. & Co., told him, Hendershelt, that they had in their possession *the largest lump ever taken out in California*.

"Sucker Creek is but 50 miles from here.

"Truly yours,

"D. W. MCCOMB, Agent.

Daring Attempt to Destroy a Wine, Liquor and Tea Store with Gunpowder.

A Terrible Explosion and Narrow Escape of Several Persons on the Sidewalk.

From the Herald, March 2d.

About 8 o'clock last night the neighborhood of Fulton street and Broadway was thrown into considerable excitement, produced by a terrible explosion in the wine, liquor and tea store of Macy & Jenkins, No. 146 Fulton street.

The alarm of fire was given, when the Fire Department was soon at the premises. Captain Mackey, of the Insurance patrol watch, with his men entered the premises, and discovered a champagne basket under the counter and the flooring to be on fire. The application of a few pails of water soon extinguished the flames, when it was discovered that a most daring attempt had been made to destroy the premises by the use of gunpowder. The force was so great that the front doors and windows were shivered to atoms, the large shutters being blown across the street and lodged against a pile of brick. The iron shutters and door at the rear of the store were burst open, and the bars which secured them wrenched off and thrown into the yard; yet, strange as it may seem, but very slight damage was done to the goods in the store, neither the bottles on the shelves nor the stove pipe appeared to have been displaced.

The object of the perpetrator of the act could not have been plunder, as no articles are missed from the store, everything being as left on Saturday evening.

ONE OF THE THEFTS!—A theft of rather an unusual character, was perpetrated one day last week. The victim is J. A. Hadley. One of the lots in Mr. H's Addition to Watertown, boasted a frame dwelling house, about 16 x 20 feet. This was divested of roof and clapboards, the timbers taken apart, the whole removed the distance of a mile, and there re-erected—all in the space of one day! Whether the authors of this most singular proceeding have been made, or are to be made to "suffer some," we have not learned.—*Watertown Chronicle.*

LOSS OF A FLOURING MILL.—We learn that a brick flouring mill situated on the Catfish river at Stoughton, was undermined last Saturday morning by the high water, causing it to tumble down entirely destroying it. In the mill were 1600 bushels wheat and about 70 barrels of flour, only a small portion of which was saved. The mill was owned by Luke Stoughton, formerly of this city, and rented to a couple of gentlemen whose names we have not learned.—*Janesville Standard.*

THE DETROIT AND MILWAUKEE R. R.—The Grand Haven *Times* says "long faces have somewhat shortened, and serious ones have materially brightened within a few days past, as the prospects of our village being the terminus of the D. & M. Railway have become more apparent.—Engineers have been busy for a week or two past, sounding the river and running a line through the streets of our village. We understand this line terminates at the "Old Beech Tree," on this side, and thence crosses the river. But as to where the precise location will yet be, those only know who can see further than we in the future.

MARRIED.

In this city, on the 2d day of March, by the Rev. Mr. Humphrey, Mr. WILLIAM B. JOHNSON, to Mis PHEBE JANE CARPENTER, both of this city.

In this city, on the 4th day of March, 1857, by the Rev. Mr. Ingraham, Mr. RICHARD TOWNSEND, and Mrs. EMELINE BROWN, both of this city.

DIED.

At Fond du Lac, Wisconsin, on the 3d inst., after a few days illness, Mrs. ABBY L. TALLMADGE, wife of the Hon. N. P. Tallmadge, aged 55 years.

An intimate acquaintance of many years demands from the writer of this brief notice something more than a simple announcement of the death of this estimable lady. Mrs. T. was a person of uncommon intelligence, of remarkable energy of character, and possessed of a disposition so amiable and cheerful as to make her home a most happy one, and of manners so cordial as to give at all times, to the numerous recipients of her liberal hospitalities an assured welcome. None knew her but to respect and esteem her. Her death is a severe bereavement to her own family and will be deeply lamented in the entire circle of her acquaintances.

THE ONLY MEDAL AWARDED

BY THE NEW YORK EXHIBITION to the English or Foreign Sauce Manufacturers has been obtained, amongst numerous competitors, by LEA & PERRINS, for their

Worcestershire Sauce,

Whereby further testimony is afforded of its being the best sauce extant.

The celebrity of this Sauce has extended to every quarter of the globe, and its efficacy in promoting the general health is becoming daily more observed and acknowledged.

In the United States it is held to be the most agreeable condiment, and is esteemed for its tonic and invigorating properties, its habitual use enabling the stomach to digest the food.

On the Continent of Europe, these qualities have been testified to by a gentleman who writes to LEA & PERRINS thus:—"I have carried a bottle of your Worcestershire Sauce in a tour I have just completed through Spain and Portugal, and believe I owe my present state of health to its use; your Sauce is stomachic, and I think medicinal. I can with truth say there is nothing in a traveller's baggage so essential to his comfort, at least in these countries, as your Sauce."

In India, also, where it is found at the mess of every regiment, a medical gentleman writes from Madras to his brother in the same profession at Worcester, in the following terms:—"Tell Lea & Perrins that their sauce is highly approved in India, and that it is in my opinion the most palatable as well as the most wholesome sauce made."

This Sauce is suitable for every variety of dish, and the universal demand which its excellence has created, has led to many imitations being offered to the public, under a variety of names, but the genuine may be known by the names of "LEA & PERRINS" being impressed upon the patent metallic capsules, or patent glass stopper of the bottle, as well as the labels and wrapper.

POLICE COURT, MARCH 5.

BEFORE CLINTON WALWORTH, POLICE JUSTICE.

John Appleton, drunk, fined $2.

Michael Garrety, disorderly, fined $5.

Moritz Kesmann and William Nellis were tried on a charge of assault and battery upon Margaret Zimm, found not guilty and discharged.

CIRCUIT COURT, MAR. 5.

HON. A. W. RANDALL PRESIDING.

INDICTMENT FOR STEALING DOWN TIMBER.—Frederick Tillmann was placed on trial upon an indictment charging him with having taken five wagon loads of wood of the value of $3 each, from lands owned by John Swain, the wood also being his property, he (Tillmann) having taken said wood unlawfully, and without authority. The land is situate in the town of Milwaukee.

The prisoner was found guilty after the jury had been absent for half an hour. We understand the jury to have recommended him to the mercy of the Court. Sentence was deferred until this morning.

Court adjourned to this morning at 8 o'clock.

Meeting of the Board of Trade.

An adjourned meeting of the Board of Trade was held at their rooms, in the Newhall House, at 2 o'clock yesterday afternoon, to hear the report of the Committee on the proposed discrimination of tolls on the New York Canals.

The President, Mr. H. L. KELLOGG, called the Board to order. The Committee, consisting of Messrs. W. B. ALVORD, JAMES BONNELL and RUFUS KING, submitted through their Chairman, Mr. ALVORD, the following Report:

WHEREAS, it has come to the knowledge of the Board of Trade, that the Legislature of the State of New York have a proposition before them contemplating an important change in their system of tolls upon the Canals in that State, particularly those which connect with the trade and commerce of the great producing States West of Lake Erie:

AND WHEREAS, the change which has been proposed would, if adopted, be the means of diverting a heavy and important trade of the State of Wisconsin, from Ports on Lake Ontario, to which points many of our Merchants and Shippers have directed their attention, because of the choice they afford us of markets, and of their equal, if not superior facilities for transhipment; in connection with the fact that the cost of transportation from this city to Eastern Markets, by way of Lake Ontario, is considerably less under the present rates of tolls, than by any other route:

AND WHEREAS, the effect which such change will be liable to produce, upon freights *via* Lake Ontario, will necessarily compel our shippers to adopt the Lake Erie route, thereby depriving us of the choice of markets:

Therefore, Resolved, That while we have no desire to interfere with the internal policy of the State of New York, or to suggest any course of action to its Legislature, but, on the contrary confide unhesitatingly in its wisdom and justice, we yet feel that the proposed change of tolls would inflict a serious injury upon the Produce Dealers of this city, and upon the products of this enterprizing and rapidly augmenting State.

Resolved, That though our action in this matter may be prompted by motives of interest, we have seen no reason to dissent from the views of the New York Corn Exchange, as expressed in their recent resolutions on the subject—that all discriminating tolls upon the N. Y. Canals, operating in favor of one route to the prejudice of another, would be unjust, impolitic and detrimental to the interests of the city of New York, tending to divert a large amount of produce to other markets, by enhancing the cost of transportation, and thereby reducing the revenues, instead of (as the advocates of discriminating tolls pretend) increasing them—that they are in favor of the cheapest and most expeditious route to the Great West, and that their Legislators would, in their opinion, promote the interests of their constituents, and increase the revenues of the Canal, by a reduction of toll upon all routes, so as to draw the largest amount of property through them to produce the maximum of receipts, in imposing any discrimination in favor of one, to the prejudice of another route.

Resolved, That this preamble and resolutions be signed by the President and Secretary of this Board, and forwarded to the proper officers of the Legislature of New York.

On motion, the report was accepted, and the Committee discharged.

On motion of HORATIO HILL, Esq., the resolutions were unanimously adopted.

On motion of Mr. AIKENS, a resolution was adopted, complimentary to Hunt's Merchant Magazine, New York, and recommending that Journal to the patronage of our Merchants and Business men.

On motion of Mr. BONNELL, a Committee was appointed to report as to the compensation of the Secretary of the Board.

On motion of Mr. HILL, the 'Change hour was fixed at 12 to 1 o'clock daily.

On motion of Mr. HART, it was resolved to add two members to the Board of Arbitrators—making seven in all.

Mr. BONNELL, from the Committee on the subject, reported in favor of paying the Secretary $125 for past services, and fixing his salary at $100 per annum.

Mr. L. NICHOLS and C. H. WHEELER were elected as the two additional members of the Board of Arbitrators.

Mr. W. B. HIBBARD, in a speech of much fervor, invoked the potential aid of the Press, in behalf of the objects and advantages of the Board of Trade, to which the Press, by their representatives present (Col. HART and Messrs. AIKENS and KING) appropriately responded. Adjourned.

THE GRAND JURY.—The present Grand Jury, it would seem, were very anxious to do their whole duty, without "fear, favor, affection, or hope of reward," under the solemn oath that two of their number take, and the others swear to observe. That was a good thing for the public. The public also require at the hands of every Grand Jury a compliance with the statute relating to Grand and Petit Juries. Now we will not say positively, for it seems to be getting a dangerous business to talk about the "inquisition," but as far as we have been able to ascertain, there is one provision of this statute, and a very important one it is, that has never been complied with of late years. Sec. 17 of Chap. 97 (at its conclusion) reads thus:—"and the Foreman shall return to the Court a list under his hand, of all witnesses who shall have been sworn before the Grand Jury during the term, and the same shall be filed of record by the Clerk."

In a few instances only, Counsel of prisoners have, with great difficulty, obtained the names of the witnesses upon whose testimony they were indicted. Has not every indicted party a right to know upon *whose testimony he was indicted?* Does not the Statute give him that right? Several terms since—how many we have forgotten—an article appeared in the *Sentinel*, the object of which was plain, it was clearly the intention of the writer to bring the "Grand Inquest into disrepute;" but it was the Grand Inquest, *as an institution*, which was attacked, but the characters of the men composing Grand Juries, were not in the remotest possible manner, alluded to. That article was discussed, point by point, by the Circuit Judge at the time, and produced this magic effect, that his Honor, for the first time, charged the Grand Jury to "endorse all the names of the witnesses upon the indictments," adding, "*I charge you that this is the law.*" The Grand Jury paid no attention to the charge.

We had the satisfaction, though, of hearing from several of the Grand Jurors, that the article published in the *Sentinel*, (a very small portion of it was original with the writer), had satisfied them that there was no earthly necessity for a Grand Jury, and that in nine cases out of ten, they were simply an useless expense to the County, and a curse to the people; and one of them knew of what he talked.

MILWAUKEE, March 4, 1857.
7½ o'clock, P. M.

Regular Meeting—Mr. JOHNSON in the Chair.

Present—Messrs. Chapman, Church, Elmore, Flynn, Horan, Johnson, Larkin, J. S. Mitchell, Marnell, A. Mitchell, Schwarting and Seger.

Absent—Messrs. Hadley, Winkkler, Keuhn, Kern, Mallory, O'Neil and Taylor.

The reading of the minutes of the last meeting were dispensed with.

Sundry accounts were reported correct by the Executive Committee and allowed.

Mr. A. Mitchell offered the following:

Resolved, That a committee of five be appointed to examine and report to the Common Council, as soon as convenient, the condition of the five Public School Houses of the city.

Mr. Larkin moved to amend by striking out the word "five" and inserting "one from each Ward;" which was accepted and the resolution as amended, adopted.

The following committee was then appointed: Messrs. Johnson, Church, Elmore, Flynn, Horan, Chapman and A. Mitchell.

Mr. Chapman offered the following:

Resolved, That the same committee be empowered to examine into the School law respecting the management of our Ward Schools and report upon any additional powers that may be necessary to invest the School Commissioners in order to obviate the necessity of applying on trifling occasions to the Common Council for additional power, which was adopted.

Mr. Church offered the following:

Resolved, That a committee of five or more be appointed to visit the Public Schools of the city and report to this Board upon the general progress and deportment of the scholars, and the management of the Schools by the Teachers. That one day be set apart to visit each school and that the principal teacher be notified of the intended visit of the School Commissioners, which was adopted and the committee already appointed, were requested to act, which was agreed to.

On motion, the Board adjourned.

J. A. SEGER, Sec'y pro. tem.

Notice Extraordinary!

WE WOULD NOTIFY the merchants and the public generally in the Western States that the Match Manufactory of R. W. PIERCE & CO., Milwaukee, Wis., is in full and successful operation, notwithstanding the declarations of a match concern in Detroit, Mich., that our establishment had burned down—that R. W. Pierce & Co. had failed—that no more R. W. PIERCE'S matches would be seen in market, &c. &c. We are well aware that all such assertions will in due time recoil with bad effect upon the party who originated them, and what we wish is, that the public should be set right in the matter. We now have facilities for manufacturing matches as cheap, or cheaper than any other establishment in the West, and as to the quality, we will leave those who have used them for the last thirteen years to be the judges, and will only remark that our business has increased from less than $1000, in 1844, to more than $50,000, in 1856.

All orders for matches promptly filled.

CALEB WALL,
SAMUEL M. OGDEN.
Milwaukee, March 1st, 1857.

TO THE PUBLIC!
City Land Office, Mich. St., Albany Buildings.

I WOULD INFORM MY FRIENDS and the Public generally that I have made arrangements for conducting the business of the City Land Office in a manner which must give satisfaction to all its patrons.—I have associated myself with Samuel M. Ogden, Esq., who will give his whole attention to the business, and may be found at the Office throughout the day, while I shall devote myself as heretofore to disposing of all property that may be left with us for sale, and will be prepared with my two ponies and carriage to drive around and show the Lots to those desiring to purchase. I will also attend to the sale of property in any part of the State by auction or otherwise. The business of the City Auction Room is entirely distinct from that of the City Land Office, and will be conducted under my own name, while that of the latter will be under the firm of Caleb Wall & Co. CALEB WALL.

CITY AUCTION ROOM.

City Auction Room.

SELDOM IS THERE SUCH a chance for one to clothe themselves at such a reduced price as goods are now selling at the City Auction Room.

FRIENDS AND FELLOW CITIZENS!

It behoves me, as an old settler and one who feels deeply for you all, to notify you that a Clothing Society has sent out from New York City thirty-five thousand dollars worth of ready made clothing, made up in the very best of style, and ordered to be sold at Auction for whatever they will bring. The Society have elected me as their Auctioneer. I am selling an immense quantity of clothing every day and every evening for half price. I am very sorry that this Society has sent the goods here, for it interferes with the general trade, but still I am bound to do my best for everybody, and I must and will obey orders if it breaks owners. In all this advertisement there is no hoax. Any gentleman that wants to be fitted out complete at half price can be accommodated at the City Auction Room. The goods are all of the very best material and of the latest style. I know my friends and fellow citizens in the clothing line will feel hard towards me. I cannot help it. I feel kind towards them. The goods have been sent to me and sell them I must.—This great sale will continue from day to day and evening to evening for thirty days, after that time whatever goods is left will be handed over to the Kansas Society, with instructions to pay over whatever they will bring.

CALEB WALL,
mar6 Agent, Auction and Sec'y said Society.

SALOM'S MERCANTILE COLLEGE!

A Perpetual Ticket for $25!

GENTLEMEN desirous of acquiring a thorough Mercantile Education, are assured that the advantages presented at this institution are unsurpassed.

The Principal takes this opportunity to acknowledge the courtesy of several of the most distinguished Shipping and Jobbing Houses in the East, who recently allowed him to examine their books, besides explaining many original plans for economizing labor, which, adopted as common instances after the experience of half a century, may be justly designated the *ne plus ultra* of the art.

These advantages, grafted upon Mr. SALOM'S long practical experience in a variety of Counting Houses, have enabled him to elaborate a novel and valuable series of transactions, introducing all the great heads and ramifications of mercantile routine to be actually developed by the student. A perpetual ticket confers the privilege of instruction in Book-Keeping at all times, as well as tuition in Writing, Mercantile Calculations, Law, Correspondence, Forms, &c.

The Surveying and Mathematical department is in progress during the day and evening.

LESSONS IN Foreign Languages.

MR. AND MRS. L. S. R. DE CRETY, from PARIS, for four years past instructors in foreign languages in Milwaukee, have the honor to inform the public that they will form classes in the French, Italian and Spanish Languages on the 1st of September next. The course of instruction will be according to the age and intelligence of the pupils, and the classes kept entirely separate, their house being arranged with that view.

Gentlemen and ladies who begin to speak either of these languages, can receive lessons in Reading and Conversation, Mr. De Crety furnishing books of the best French authors. Those too wishing to learn vocal music in either of these languages, will find a competent music teacher in the establishment.

The hours of instruction will be from 8 to 11 o'clock A. M., and from 2 to 5 P. M. And in the evening from half past 6 to 8, for conversation.

Mr. DE CRETY will also give lessons in French, Spanish and Italian, at his office, to gentlemen only from 7 to 10 o'clock in the evening, as also lessons in Fencing, the use of the Sword, and all military exercises. Persons of delicate constitution and feeble temperament, as also those confined to their offices and engaged in sedentary pursuits, will derive from these exercises, improvement in their health, acquire strength in their limbs and find an agreeable recreation.

Mr. De Crety will also form similar classes for children from 10 to 15 years old, at his house, or office, as parents may prefer. Fathers and mothers who desire to see their children strong, active and robust, can judge for themselves, after a few weeks trial, as to the effect of these different exercises upon their health.

The continued patronage of the public is respectfully solicited.

To MERCHANTS.—Mr. DE CRETY will take charge of French correspondence to all the principal cities of France and will procure all Price Currents that they may want.

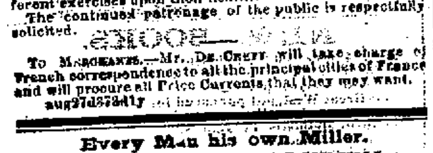
Every Man his own Miller.

PORTABLE CAST IRON GRAIN MILL.

Young America Improved and Perfected.



THE above mill was patented by Charles Leavett, of Ill., Feb. 27th, 1855. This mill took the first premium at the Ohio State Fair, 1855, over all other mills, and during the fairs of the fall of 1856, the first premiums over many others in the State Fairs of Ohio, New York, Tennessee, Michigan and Minnesota also at the County Fairs of the following Counties of Ohio and Indiana, viz: Guernsey, Crawford, Logan, Medina, Ashland, Wayne, Knox, Montgomery, Clark, Erie, Lorain, Richland, Plymouth district, Chester, Frederick. In Indiana, Tippecanoe, Jefferson, Wayne, Fayette, Shelby, Jennings, Warren and Fountain.

Farmers, Saw Mill owners, Livery Stable men and all others feeding stock of any kind are invited to examine the merits and superior advantages of the above mill.

The Young America will grind as much corn in the cob, shelled corn, oats, barley, and all other grains for stock as any mill of the same size and with much less draft.

What we claim is great strength, durability and simplicity, being so simple that a child can learn to grind with safety.

In the next we claim the small expense to renew the grinding parts of the mill, and the ease with which the grinders are put on the mill, at a cost of not over three dollars, which makes it superior and more economical than any other mill. The grinding parts of the above mill are made of the hardest of cast iron, as hard in fact as cast steel can be tempered. Each set will grind from 8,000 to 10,000 bushels of grain, with proper usage. Besides the set of grinders on the mill, an extra set will be sent with each mill sold, making it equal to two common mills. When found necessary to change the grinders, almost any one can do it in twenty minutes.

As a proof of the estimation in which the Young American is held in Ohio, we would state that during the fall, winter and spring of 1855–56, 2500 were made and sold in Ohio, at Zanesville, by Douglas, Smith & Co., Hall & Allen of Mansfield, Eldridge & Faucener of Cincinnati, and at New Philadelphia.

At this time there is not less than 200 being sold every week in Ohio, at retail, besides those sold in other states east and west.

The above mill is being manufactured and can be furnished at wholesale and retail, from the Wisconsin Iron Works of A. J. Langworthy, on the water power in the City of Milwaukee. The mill is warranted perfect in all respects.

Dealers in agricultural implements and machines, of the State of Wisconsin, are requested to call and make arrangements for the sale of the above mills, to whom a liberal discount will be made on the retail price; also any others wishing to engage in a profitable business. Would call attention to good men who have teams, in any part of the State, who would peddle the mills through the country. Four can be taken on a wagon at a time—liberal arrangements would be made with them.

The above mill will grind from 8 to 20 bushels of grain per hour, in accordance with the kind and condition of the grain.

Price of the Young America $55—ready to hitch to and warranted to grind as fast as any mill of the same size when properly worked, and with less draft.

For further information address or see the undersigned, sole owner of the right to the State of Wisconsin.

For sale by W. HARROLD SMITH, Wisconsin Iron Works.

In reference to which they would suggest, that the facility with which their goods can be fitted, every garment being marked in lengths and breadths, the same size breast being varied to suit different proportions of the same measure, should give them the preference over any clothing, the sizes of which are indefinitely marked. The difficulty of really suiting patrons from that fact, it is presumed has been very generally realized. E. & J. HOLMES'

IMPROVED

SEAMLESS WHALEBONE SKIRTS.

WE take pleasure in again introducing our improved Seamless Skirt, as being the most acceptable article in market; we are aware that many new styles called improvements are before the public, such as India Rubber, Gutta Percha, Rattan, &c., all of which we have if called for—but cannot recommend them, as we have experimented with and tested them all—(most of them two years since) submitting them to the judgment of competent ladies to decide upon their merits, and have found them from actual use, to be in all important respects, inferior to our properly prepared Whalebone which has been in use the past years, and for which has been expressed from all parts of the country entire satisfaction; and we have the more positive evidence from our own large retail trade, amounting to many dozens per day. Therefore we confidently recommend our Skirts to be the least objectionable of anything in use; possessing many advantages *found in no other Skirt*, the most important of which is *our series of elastic cords* at the bottom, made from the only material that can be used, that will recover its place when pressed out of shape, will not roll nor curl, is not affected by heat or cold and can be washed without injury. These cords at the bottom, instead of bones, which are exceedingly awkward and inconvenient, with our own prepared bones above and a fabric manufactured by ourselves expressly for our goods, in our estimation and the estimation of thousands who have used them, pronounce a Skirt, and the only skirt equally adapted to the parlor, the street, and the crowd, giving a proper, graceful and elegant form to a Ladies' dress; light, pliable, easily adjusted and in every respect a complete article. The public are cautioned against all imitations or other goods called Seamless Skirts. Every genuine article is stamped E. & J. Holmes' Improved Seamless Whalebone Skirt, and are for sale at 99 Market street, Philadelphia, and in the principal Jobbing Houses in New York and Boston. E. & J. HOLMES & CO.

HEALTHY BREAD!

MADE WITH

JAS. PYLE'S DIETETIC SALERATUS.

THIS article is deprived of the caustic impurities, so well known to exist in all common Saleratus, thereby dealing destruction to thousands not aware of its injurious qualities. So destructive is it to the constitution of children, that where they and the parents have been regular consumers of Saleratus Bread, there is but little chance for recovery from infantile or contagious diseases. In this way thousands meet with premature Death—the sad reality of which is forcibly demonstrated, in the mortality among children, in the New England and other States, where warm bread and cake is so generally consumed.

JAS. PYLE'S DIETETIC SALERATUS

Is of vast importance to the public, and is rapidly coming into use. Being deprived of all caustic impurities, it is quite as harmless as flour. In point of economy it excels having powerful raising properties, and is altogether superior to Baking Soda. No intelligent lady will dispute this after trying it.

It is packed in pound packages, each bearing the name of James Pyle, without which it is not genuine. For sale by John Furlong & Co., C. A. Folsom, Chapin & Gregory, Milwaukee; Ethridge, Shoemaker & Co., Madison; E. H. Jones & Bro., Fond du Lac, Wis.; A. Gross & Coag, Chicago. JAMES PYLE, Manufacturer, N. Y.

MEDICAL.

R. R. R.

THE RADWAY TRINITY.

EACH of Radway's Three Remedies possess special curative power over certain diseases; and when either the Ready Relief, Renovating Resolvent, or the Regulators, are used for the certain class of diseases they are specially designed for, the system undergoes a rapid transformation from its diseased condition to a healthy and happy state of existence.

RADWAY'S READY RELIEF.

This remedy is to be used externally, or taken internally, for all pains, aches and infirmities. In a few minutes it stops the most torturing pains, subdues all inflammations and cures the worst cases of *Rheumatism, Lumbago, Gout, Paralysis, Neuralgia, Tooth-ache, Burns, Sprains, Strains, &c.* It restores the *lame, infirm and crippled* to soundness and vigor. It is likewise a certain cure and preventive for *Fever and Ague, Scarlet Fever, Smallpox, Croup, Hoarseness, Colds and Influenza.* Whenever you feel any unpleasant or painful symptoms, take a dose of Radway's Ready Relief, or apply it to the parts where the pain is located; in a short time you will enjoy ease and comfort.

Bear in mind, there is no pain so severe but that Radway's ready Relief will stop, and no system so crippled with infirmities but that the R. R. R. Remedies will restore to sound and vigorous health.

RADWAY'S REGULATORS.

The discovery of these wonderful pills establishes a new era in purgatives, and a new principle in the science of medicine. In taking these pills no griping pains or sickness at stomach is experienced; they operate naturally, leaving the bowels, liver and other organs in a natural condition.

They insure those who take them a good appetite and a healthy digestion.

Each pill that is taken gives new life to the blood; they purify it, take from it all impure deposits and equalize its circulation.

One or two doses of Radway's Regulators will entirely remove all distressing symptoms of Dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Billiousness, Melancholy, and will cure all organic diseases, either in man or woman. Ladies troubled with irregularities or weakening discharges, may rely upon a prompt cure and regular periods if Radway's Regulators are taken.

PICTURE OF HEALTH AND BEAUTY.

A few doses of Radway's Regulators will insure a clear, fair, pure and healthy skin and a rosy complexion. They give to those troubled with weak dull, yellow eyes, a clear and brilliant appearance. Radway's pills give a natural beauty to the face, eyes and head; and the use of the Ready Relief as a wash for the teeth and an aromatic for the breath, will change the most disgusting foul breath to sweetness, and the blackest teeth to Parian whiteness.

One to ten of Radway's Regulators is a dose; they never do injury, but always do good.

CONGESTIVE DISEASES, APOPLEXY, TERMINATION OF BLOOD TO THE HEAD.

Persons of full blooded plethoric habits are more subject to congestive diseases, headaches, rush of blood to the head, than those of a lean habit; bleeding in these cases is highly detrimental, nor does this practice lessen the danger; the difficulty is not caused by too much blood, but by the disturbed circulation, and the irregular action of the *heart.* Now a dose of Radway's Regulators will correct all these difficulties—they will *correct* the action of the heart, liver, and all other organs to a natural and regular action, and will immediately *equalize* the circulation of the blood. Mere purging in these cases will only aggravate the disease.

Radway's Regulators not only *regulate* the bowels, by which all diseased and injurious matter is purged from the body, but they control the whole system, and *force* each and every organ, the heart, brain, liver, nerves, bowels, skin, pancreas, bladder, kidneys, stomach, lungs, throat, blood, and every tissue in the whole organization, to a healthy and regular action. They infuse new life throughout the whole system; their action is not confined to any local part of the stomach, like common pills, but they search out diseased action wherever it may be hidden, and expel all diseased humors and deposits from the body. In a few hours after taking a dose of these life creating pills you feel refreshed and invigorated from head to foot. We have known the dispirited and melancholy take a dose of Radway's Regulators *just to feel good—they make one feel so happy.*

RADWAY'S RENOVATING RESOLVENT.

Cures Humors, Salt Rheum, Scrofula, Ulcers, Nodes Tumors, Fever Sores, Skin Eruptions, Blotches Bronchitis, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Apoplexy, &c.; and all constitutional and chronic diseases, either inherited by hereditary transmission, or inoculated by exposure or otherwise.

There is no remedy in the world that will work such miraculous cures in old diseases as Radway's Resolvent. It changes the whole human body—reproduces new and healthy blood.

Bleeding from the lungs—Radway's Renovating Resolvent will, in a few minutes, check Hemorrhage from the lungs or throat. In cases where the patient coughs up clots of blood or pus streaked with blood, Radway's Resolvent will soon remove the difficulty.

Sarah Hammond, of 198 East Thirty-Second st. had a bad cough for two years, she coughed up sometimes half a pint of blood during the night. She was cured in seven days by the Relief and Resolvent.

A sore leg of 21 years cured in three weeks, by Radway's Relief. Mr. T. H. Kilgo, a merchant of high standing in Dahlonega, Ga., says:—"That a gentleman who, for 21 years, had been afflicted with a sore leg, that resisted every kind of treatment, was effectually cured in three weeks by Radway's Ready Relief, Resolvent and Regulators."

GENERAL COMPLAINTS.

If you catch a sudden cold, get a sore throat, or become afflicted with influenza, a dose of Radway's Regulators, and an application of the Ready Relief, will free you from all pain and uneasiness. In a few minutes after the Relief is applied no soreness will trouble you. If afflicted with headache, either nervous or from foul stomach, Radway's Ready Relief, and a dose of Regulators, will remove all pain from the head, and restore health to the nervous and afflicted.

Radway's Ready Relief and Regulators always cures *Dyspepsia* in its most distressing forms, and nervousness with all its horrors.

WHOOPING COUGH.—Thousands of cases of Whooping Cough have been cured in a few days by the Resolvent and Relief, and if the Whooping Cough is prevalent in the neighborhood, those who take half a teaspoonful of Ready Relief in a little water, once or twice per day, will never catch it. Radway's Relief destroys the infection of the "Whooping Cough."

TOBACCO CHEWERS.—Those who have become reduced by the effect of tobacco, or the indulgence in spirituous liquors, who feel the horrors of incapacity, weakness, sterility, and the *infirmities* which a fast and intemperate, luxurious and lustful course of life inflicts upon its victims, will find relief from these horrors, and sure restoration to health, strength and vigor, by the use of Radway's Relief, Regulators and Resolvent.

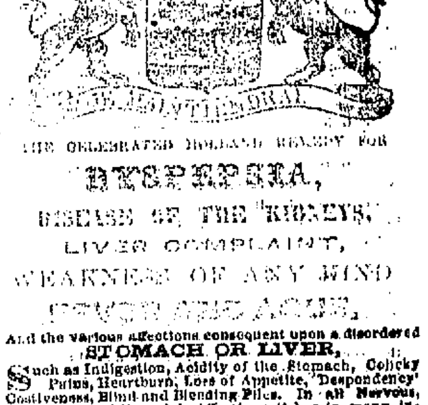
BOERHAVE'S HOLLAND BITTERS



THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND

FEVER AND AGUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on their strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
